

ACADEMY PARKING

Driving to the Academy is a privilege. Any violation of safety procedures, reckless behavior, irresponsible behavior, or unauthorized parking may result in suspension of driving privileges. Students are required to park their vehicle in the assigned lot (senior parking north parking lot and all other students in the east parking lot). The driver who parks his/her vehicle off campus or in an unauthorized location will be subject to disciplinary action. All vehicles driven to school must be registered with the office each year and display the official permit on the rearview mirror.

To receive a permit you must submit the following to the Academy office:

- Proof of insurance (current insurance card)
- Driver's license
- Permit fee: \$1.00 per vehicle

The permit is valid for one school year. You must provide the above information to the office each year to receive a new permit.
