## PRINCIPAL'S POINT OF VIEW

Happy New Year! I hope you had a relaxing and peaceful break, and that you are refreshed and reloaded to conquer the remainder of the semester. With the end of the first term only weeks away, many students are scrambling to improve grades and prepare for final tests. This can be a stressful time, so it's probably a good thing that the Christmas break comes when it does.

As odd as it may seem, the end-of-semester stress is an important feature of the Academy experience. It is part of the rigor of our program, much like the homework load, the pace of instruction, and the need for superior time management. Students who persevere are truly prepared for success in college. A commonly expressed sentiment from our alumni is that college is easy; this is one of the most rewarding comments I can hear. I have yet to hear a graduate suggest that he or she was unprepared for post-secondary success.

In last month's column, I began talking about our Foundational Values document, the statement of our core beliefs. The first value in that document is that we are a school of choice. I believe that, because parents and students choose to come here, we enjoy a unique degree of buy-in from our stakeholders, allowing us to pursue our mission with gusto.

The second value is "Academics First." I could easily add "...and last, and in between." The first sentence under this value is: "The Academy is unapologetically an academic institution first." Unapologetically. Academic rigor is our primary focus, and the reason for our existence. The item goes on to say that any student who wishes to represent the Academy in sports or activities must first be a scholar. When I read comments in family surveys that suggest that we need a "balance" between academics and "fun," I suspect that the writer either used the word "balance" inappropriately or simply does not understand why we are here.

Let me be very clear about this. We understand the value of sports and activities in providing students with enrichment and in making them more attractive to competitive colleges and universities. However, we must NEVER allow activities to attain an importance equal to our academic program. That serious problem exists across the country, and is a major contributor to the decline in the quality of education in many, many schools. I promise you that academics are, and always will be, the first priority of the Academy.

You may already be aware of our policy on activities, but let me remind you. We have a policy that extracurriculars will not be allowed to interfere with academics. In most public schools, students miss countless hours to ride busses to distant locations for extracurricular events. In cases where we have control over scheduling, we ensure that competitions and events are scheduled outside of school hours. In addition, the Academy does not fund extracurricular activities, beyond paying coaches and officials; facility rentals, uniforms, equipment, and travel are all the responsibility of the coaches and advisors, through gate receipts and fundraising. We believe this is the model that all schools should follow; it could literally save millions of dollars per year in the state of Idaho alone.

This is too big a topic to cover in one installment. Expect to hear more of this and our other foundational values in the coming months. Until then, enjoy the fact that the days are getting longer!

## LAST CHANCE TO PURCHASE YOUR YEARBOOK!

By Heather Solsvik [hsolsvik@cdacharter.org](mailto:hsolsvik@cdacharter.org)

Final exam week, January 18-20, will be your last chance to reserve a yearbook! Cost is \$40.00 or \$45.00 for a yearbook with the student's name embossed on the cover and the full-color world yearbook insert. This is the final window of opportunity to purchase a book before the May 2011 waiting list. The CCA yearbook has completely sold out every year, so don't miss out! Payments of cash or check can be made at either office. If you are unsure if you have purchased a 2010-2011 yearbook, call the school office.

Additionally, yearbook staff members are working hard to raise money through local business ads. If you would like to purchase a tax-deductible yearbook or newspaper ad, please contact Mrs. Solsvik for prices and information.

## TARDIES

### Student Handbook Page 8

A Tardy is defined as the condition or situation when a student is not in his/her assigned seat with all of the necessary study materials at the start of the class period.

Rationale: The first few minutes of class at the Academy set the stage for the day's lesson. Generally a teacher has an "anticipatory set" which engages the students' inquiry or curiosity and prepares the students for the day's lesson. Class time at the Academy is valuable. Teachers design lessons so that learning is maximized and interruptions are minimized within the allotted time.

When a student is late to class, the entire class is interrupted, the teacher is interrupted, and the tardy student has missed a vital part of the day's lesson. Timely attendance at the Academy is mandatory. Punctuality to class and all activities is paramount. There is no excuse for habitual tardiness.

**Tardies are excused for dental, medical, and legal appointments, and for health reasons.**

## ART CONTEST WINNERS

By Heather Ketchum [hketchum@cdacharter.org](mailto:hketchum@cdacharter.org)

Art students competed in a county-wide contest to design artwork for a Luna Guitar. This was sponsored by Northwest Music Academy and judged by local professional artists. Eighth grade student, Kira Olson, won the grand prize competing against both middle and high school students from many other district schools. She received a new Luna Guitar! Out of 25 total honorable mentions, Charter Art students took 11 places: Isabel Ganz, Lily Siebrecht, Claire Rogers, Jodi Grantham, Mercedes Rennison, Mariah Enns, Caitlin Calvert, Maris Goldman, Liz Holbart, Ben Crotinger, and Darcy Gross. Well done artists!

We can use empty metal soup cans for water containers, also empty prescription bottles with lids make great little paint containers – peel off the label and rinse them out. We are always on the lookout for extra craft supplies such as: wools, fabric, lace, fancy papers, and wood. Thank you for your support!

By Tracey Vaughan [tvaughan@cdacharter.org](mailto:tvaughan@cdacharter.org)

Auditions for Shakespeare's Twelfth Night are January 31 OR February 1 at 3:00 PM, in Mrs. Vaughan's Room #5. Please attend one day only. Be prepared to stay until 4:30 PM if needed. No preparation is required, but it would be a good idea to read the play in advance for understanding.

Performances are April 7, 8, and 9. Rehearsals are Tuesdays, Wednesdays, and Thursdays 3:00 – 4:30, February 8 – March 24, plus tech week.

## MEDICATION POLICY

### *Student Handbook Pages 14-15*

Students requiring prescription or nonprescription medication during the school day must bring the medication to the office upon arrival at school, in its original container with the student's name clearly visible on the bottle. **(No Baggies or pillboxes allowed.)** A completed Medication Administration form\* from the parent or guardian must accompany the medication, specifying the time(s) and amount(s) of required dosages. If the medication is to be administered at different times or in different amounts from what is specified on the label, a physician's signature is required. The medication will be administered to the student by the school secretary (or other authorized staff member) in the school office. No medicines of any kind may be retained by the student in lockers or backpacks, with the following exception: A student who has been instructed in the self-administration of medication for treatment of a serious condition (e.g. asthma, allergies, diabetes) shall be permitted to possess and use a prescribed medication (e.g. inhaler or Epi Pen) at all times, provided the school has received, and administration has approved, a signed prescription or written direction from his/her physician or health care provider stating that the carrying of such medication is medically necessary. There will be disciplinary action for students who violate this policy.

\*Note: Medication forms are available on our website, [www.cd charter.org](http://www.cd charter.org), under "forms."

## SNOW CLOSURES

To find out if we will have a snow day, watch/listen for Coeur d'Alene Charter Academy to be mentioned on the following local television news, radio announcements, and websites after 5 AM: KXLY 4, Q6, KREM 2, 99.9 FM, and KPMD 95.3/K102 FM, [twitter](https://twitter.com), [facebook](https://facebook.com), [krem.com](http://krem.com), and [kxly.com](http://kxly.com).

### PLAN AHEAD

Always plan ahead and give yourself plenty of time to safely arrive to school before 8:00 AM. Tardies due to snowy roads are **unexcused**. A few extra minutes in the morning will make a difference. Students are allowed three unexcused tardies per semester. The fourth unexcused tardy in a semester results in a one-hour detention, the fifth unexcused tardy will result in a two-hour detention, and the sixth unexcused tardy results in a one-day suspension.

## SUNRISE ROTARY JANUARY STUDENT OF THE MONTH

By Lynne Stembridge  
[lstembridge@cdacharter.org](mailto:lstembridge@cdacharter.org)

Sadie Iott, Charter Academy senior, will be honored in early January as the Sunrise Rotary Student of the Month. She is most deserving of this honor – as Mrs. Geer noted on her nomination form, “She gets good grades, participates in sports, and still holds a job.” All the while, she is caring and giving to others around her. We are proud to have Sadie represent the Academy in the community as she is honored for her achievements.

*Congratulations Sadie!*

## CELL PHONES/ ELECTRONIC DEVICES

Cell phones, MP3 players, laptops, and all other personal electronic devices are not permitted during school hours [7:55 AM – 2:45 PM, including passing time and lunch]. Students found to be in possession of these devices will have them confiscated. Repeated violations will result in short-term suspension.

## NEW FINANCIAL CLASS

By Bill Proser [bproser@cdacharter.org](mailto:bproser@cdacharter.org)

Dear Parents,

One of the goals in starting a public charter school was to operate using some of the principles of the private sector. I have long felt that the public school system does an inadequate job of explaining and teaching the principles on which our free market system of capitalism is based. Now, we have a chance to correct that oversight. In the upcoming spring semester, I will be offering a nine week course in personal finance, both in the third and fourth quarter. The course does not offer credit or substitute for any of the school's other requirements. It is strictly voluntary and based on student interest. Students will be chosen by lottery, with preference given to seniors. The class will meet Monday through Thursday from 3:00 – 3:50 PM. The normal transportation requirements will apply.

My professional financial experience started in 1982 with a Boise company called Professional Educators Assurance and includes Waddell & Reed and Northwestern Mutual. We are planning to offer our students the opportunity to start an actual investment in a custodial Roth IRA. This would, of course, require your signed permission on

the application. I am hoping to interest a community minded Broker/Dealer in this educational process who might be willing to act as a resource for the class.

There is no cost to the student, their family or the school for this class. Materials are provided by the generosity of local financial professionals. The expertise of these professionals is donated as a community service. Please consider patronizing these sponsors.

**The Course:** Get \$marter Than Your Teachers

**When:** Monday-Friday, 3:00-3:50 PM

**3rd Quarter**

Start: Monday, January 24

End: Thursday, March 24

**4th Quarter**

Start: Monday, April 4

End: Thursday, June 9

**Who:** Seniors, juniors, or sophomores 25 spaces per quarter

Students will be chosen by lottery, with preference given to seniors. SIGN UP TODAY TO BE INCLUDED IN THE LOTTERY! Contact Dr. Proser with any questions at [bproser@cdacharter.org](mailto:bproser@cdacharter.org) or call 676-1667.

## FROM THE REGISTRAR

By Melissa Thompson [mthompson@cdacharter.org](mailto:mthompson@cdacharter.org)

### Report Cards

First semester report cards will be mailed home out on Thursday, January 27. If you do not receive your child's report card please contact me at 676-1667 or [mthompson@cdacharter.org](mailto:mthompson@cdacharter.org).

### Honor Roll

Honor roll plaques are posted outside of the middle school office at the end of each semester.

### Sibling Applications Due by March 11, 2011

All sibling applications must be received by the March 11, 2011 deadline to ensure sibling priority in the lottery. Sibling applications received after that date will be placed at the end of the waiting list. New student registration will be in April.

### Returning/Current Student Registration

Students who are currently enrolled do not have to submit an application. Registration for current students will be held in April. Registration materials will be sent home with students before spring break.

### Planning to Withdraw?

If you know your child will not be returning next semester, please contact me as soon as possible at 676-1667 or [mthompson@cdacharter.org](mailto:mthompson@cdacharter.org) to arrange a time to come in and complete a withdrawal form and return books. This will ensure a quick check out and timely delivery of your child's records to his/her new school.

## SCHOLARSHIPS AND FINANCIAL AID

### Federal Student Aid FAFSA

There are many types of need-based and merit-based financial assistance available to students. Most of the need-based financial assistance is distributed through colleges using the FAFSA (Free Application for Federal Student Aid). Parents and students complete this application process after January 1 during the senior year. Students and parents can accurately estimate the results of the FAFSA process by using the FAFSA4caster link on the [www.fafsa.ed.gov](http://www.fafsa.ed.gov) website. Some colleges also require a supplemental financial aid form and/or a CSS profile, so it is crucial that students identify the forms needed and the deadlines for each college where they plan to apply. It is highly recommended that the FAFSA be completed online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) to speed up the processing time and to reduce delays due to application errors. To complete the online application, senior and parents both need PIN numbers which should be obtained now at [www.pin.ed.gov](http://www.pin.ed.gov).

I find it useful to think of scholarships in three categories: those identified through national databases, those administered by the colleges, and local scholarships.

#### National Scholarship Searches

Every senior should complete at least one national database scholarship search. Examples of useful scholarship searches include free searches at the following sites:

- [www.fastweb.com](http://www.fastweb.com)
- [www.scholarship.com](http://www.scholarship.com)
- [www.college-scholarships.com](http://www.college-scholarships.com)
- [www.collegeboard.com](http://www.collegeboard.com)
- [www.review.com](http://www.review.com)

Each search will match students with lists of scholarships based on the information that students provide.

#### Burger King Scholars Program – (Deadline 1/10)

Up to 700 scholarships of \$1,000 will be awarded to seniors based on the following criteria: Working an average of at least ten hours per week; participation in community service and/or co-curricular activities; demonstrating financial need; and obtaining recommendations from school and employer. Additional information and applications are available online at [http://www.haveyourwayfoundation.org/bksp\\_faq.html](http://www.haveyourwayfoundation.org/bksp_faq.html).

#### Governor's Challenge Scholarship (Deadline 1/15)

There are 12 scholarships of \$3,000 per year, renewable for four years, available to Idaho seniors planning to enroll in an Idaho college or university. Students must have a 2.8 GPA; an ACT or SAT score; and documented volunteer, leadership, and public service experience. Applications are available online at [http://www.boardofed.idaho.gov/scholarship/gov\\_cup.asp](http://www.boardofed.idaho.gov/scholarship/gov_cup.asp).

Students applying for a professional-technical program must have a 2.8 GPA and take the COMPASS test. Applications are available online at [http://www.boardofed.idaho.gov/scholarship/promise\\_a.asp](http://www.boardofed.idaho.gov/scholarship/promise_a.asp).

#### Robert C. Byrd Scholarship – (Deadline 1/15 may vary depending on federal legislation)

Renewable scholarships of \$1,500 per year are awarded to seniors based on academic indicators (GPA and test scores). These scholarships require students to attend college in the U.S. in the fall after their senior year. Applications should be available online at <http://www.boardofed.idaho.gov/scholarship/byrd.asp>.

#### Sam Walton Community Scholarship (Deadline 1/31)

This \$1000 scholarship is awarded for the first year of college and is open to 2011 seniors. The selection of winners is based on financial need, academic records, standardized test results (ACT, SAT), extracurricular activities, community involvement, work experience, and timely and accurate completion of the Scholarship Competition application. Additional information and applications are available online at <http://www.act.org/walmart/community/>.

#### AXA Achievement Community Scholarship (Deadline 2/15)

# PUBLICATIONS CLASS OFFERS TWO NEW SWEATSHIRT DESIGNS FEATURING THE PANTHER MASCOT

By Heather Solsvik [hsolsvik@cdacharter.org](mailto:hsolsvik@cdacharter.org)

The Publications staff has been working hard to develop two new sweatshirt designs as a class fundraiser and school spirit item. These new shirts are printed using a process called "sublimation," in which the image is embedded in the shirt and actually becomes a part of the material. **It is important to note that these shirts will not be a part of the uniform policy, but would be great for displaying school pride and given as gifts.** They will be available for sale at any time throughout the year, and orders will be placed regularly.

Use the order form below to order your shirts, and contact Heather Solsvik ([hsolsvik@cdacharter.org](mailto:hsolsvik@cdacharter.org)) if you have any questions. Production time will be approximately 2 weeks from placing the order to delivering your product.

Crewneck sweatshirts, hoodie sweatshirts, and T-shirts are available. All come in adult sizes only. The "tattoo" design is available in the following colors: grey, white, light pink, and "safety" green (neon). The "flame" design is available in either grey or white.
