Coeur d'Alene Charter Academy, celebrating 20 years!

Open Your Heart and Home to an International Student

CIEE (Council for International Educational Exchange), is looking for host families for students arriving in the US this month. If you might be interested in hosting one of the following students, please contact Gayle Mangis at (208) 660-9298.

17 YEAR OLD BOY FROM MONGOLIA. I like smiling to everybody when i meet them, maybe it will be made their day more shinny. And also I am very polite and little bit talkative. In the future, I want to become famous Cook/Chef, because I really like cooking. I often make breakfast, lunch and dinner for my family. My hobby is catching fish. In my free time, I play basketball, table tennis, go to gym, coffee shop, watch movies in cinema with my parents or friends and meet and have fun with my friends.

15 YEAR OLD GIRL FROM THAILAND. I don't like to sit on my hands. I am calm, witty and observant. I enjoy not too hot weather because it makes me more comfortable. My friends always tell me that I'm funny and not like everyone else. For example, when we play, I have a different reaction. I usually spend my free time listening to music and read the novel because it can always inspire me. I love to sing, take photo and travel. I like to play badminton and play volleyball with my friends. Looking forward to meeting you soon!

16 YEAR OLD GIRL FROM VIETNAM. Currently, I am a student of Bui Thi Xuan High School which is a good school in my hometown. I'm pretty easy - going, and sociable. Besides that, I also have a positive outlook on life and I think It's important to treat every day as special. If a family could choose a student, they should choose me because I am fun to be around and I

can make new friends in a second. I can easily get along with any member of your family. If you feel bored or stressed, I can dance and tell a joke for you to relax and be happier.

Welcome

Welcome back! We are looking forward to another year at the Charter Academy. This year we are excited to welcome seven new highly-qualified teachers to our ranks. You will have the chance to meet them during Back to School Night on September 18th and Sixth Grade Open House on September 4th.

We are excited to get the new year underway. Be sure to read through the newsletter as it has lots of information to help you get this year off on the right foot.

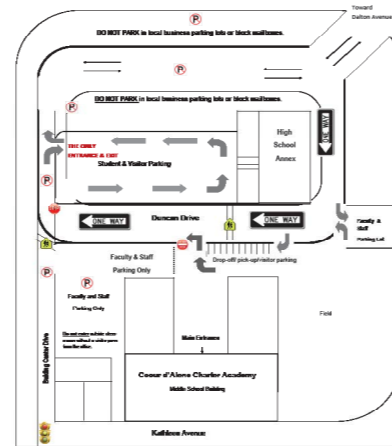

Traffic makes the world go 'round, especially at Charter.

Please watch for these friendly faces as they help direct traffic keeping the flow of traffic. Please have patience especially in the first few weeks of school as new parents and students adjust to the traffic pattern.

We have a one-way loop on Duncan Drive that exits back to Building Center Drive either left or right. Please yield to traffic accordingly.

PLEASE respect our neighboring businesses and do not park in their parking lots or use them as a drop-off/turnaround area.

Medication Matters

Students requiring prescription or non-prescription medication during the school day must bring the medication to the office upon arrival at school, in its original container with the student's name clearly visible on the bottle. (NO BAGGIES OR PILLBOXES ALLOWED.)

A completed [Medication Administration form](#) from the parent or guardian must accompany the medication, specifying the time(s) and amount(s) of required dosages. If the medication is to be administered at times or in different amounts from what is specified on the label, a physician's signature is required. The medication will be administered to the student by the school secretary (or other authorized staff member) in the school office. No medicines of any kind may be retained by the student in lockers or backpacks, with the following exception: A student who has been

instructed in the [self-administration of medication](#) for treatment of a serious condition (e.g. asthma, allergies, diabetes) shall be permitted to possess and use a prescribed medication (e.g. inhaler or Epi-Pen) at all times, provided the school has received a signed prescription or written direction from his/her physician or health care provider stating that carrying of such medication is medically necessary.

remember all medication needs to come to the office
